Moshon Data Slab Foam Target

Your low cost demonstration target

Moshon Data Slab Foam Target

Designed as a very low cost Demonstration Target, albeit constructed to a very high standard, the MD-SF has all the features of the more expensive models.

Low cost, easy to set up and quick to use

Customisable to your desired image, it can also be used as a quick test target as it is easy to set up and quick to use.

The MD-SF target is suitable for demonstrating:

- ✓ AEB City
- ✓ FCW
